^aIndiana has plans to update DMC identification and assessment data.

^bMaine and Vermont are exempt from the DMC requirement because their minority juvenile population does not exceed 1 percent of the total State juvenile population.

^cSouth Dakota and Wyoming did not participate in the FY 2000 Formula Grants program.

^dIn four territories, it has been determined that minority juveniles are not disproportionately arrested or detained.

^ePuerto Rico is exempt from reporting racial statistics because of the homogeneity of its population.
